§ 1951.872 Other regulatory requirements.

(a) *Intergovernmental consultation.* The RDLF program is subject to the provisions of Executive Order 12372 which requires intergovernmental consultation with State and local officials. For each ultimate recipient to be assisted with a loan under this subpart and for which the State in which the ultimate recipient is to be located has elected to review the program under their intergovernmental review process, the State Point of Contact must be notified. Notification, in the form of a project description, can be initiated by the intermediary or the ultimate recipient. Any comments from the State must be included with the intermediary's request to use the loan funds for the ultimate recipient. Prior to FmHA or its successor agency under Public Law 103-354's decision on the request, compliance with the requirements of intergovernmental consultation must be demonstrated for each ultimate recipient. These requirements should be carried out in accordance with FmHA or its successor agency under Public Law 103-354 Instruction 1940-J, "Intergovernmental Review of Farmers Home Administration or its successor agency under Public Law 103-354 Programs and Activities," available in any FmHA or its successor agency under Public Law 103-354 office.

(b) *Environmental requirements.* (1) Unless specifically modified by this section, the requirements of subpart G of part 1940 of this chapter apply to this subpart. FmHA or its successor agency under Public Law 103-354 will give particular emphasis to ensuring compliance with the environmental policies contained in §§ 1940.303 and 1940.304 in subpart G of part 1940 of this chapter.

Intermediaries and ultimate recipients of loans must consider the potential environmental impacts of their projects at the earliest planning stages and develop plans to minimize the potential to adversely impact the environment.

(2) As part of the intermediary's request to FmHA or its successor agency under Public Law 103-354 for concurrence to make a loan to an ultimate recipient, the intermediary will include for the ultimate recipient a properly completed Form FmHA or its successor agency under Public Law 103-354 1940-20, "Request for Environmental Information," if it is classified as a Class I or Class II action. FmHA or its successor agency under Public Law 103-354 will complete the environmental review required by subpart G of part 1940 of this chapter. The results of this review will be used by FmHA or its successor agency under Public Law 103-354 in making its decision on the request.

(c) *Equal opportunity and non-discrimination requirements.* (1) In accordance with Title V of Pub. L. 93-495, the Equal Credit Opportunity Act, neither the intermediary nor FmHA or its successor agency under Public Law 103-354 will discriminate against any applicant on the basis of race, color, religion, national origin, age, physical or mental handicap (provided that the applicant has the capacity to enter into a binding contract), sex or marital status with respect to any aspect of a credit transaction anytime Federal funds are involved.

(2) The regulations contained in part 1901, subpart E of this chapter apply to loans made under this program.

(3) The Administrator will assure that equal opportunity and non-discrimination requirements are met in accordance with Title VI of the Civil Rights Act of 1964, "Nondiscrimination in Federally Assisted Programs," 42 U.S.C. 2000d-2000d-4. If there is indication of noncompliance with these requirements, such facts will be reported in writing to the Administrator, ATTN: Equal Opportunity Officer.
